

To place an order there are 2 options. 1 please email [sales@lewishorticulture.com.au](mailto:sales@lewishorticulture.com.au)

**CLICK HERE TO ORDER**

2. Press here to order via EvergreenConnect -

For a list of plants currently available, please refer to our availability list, which can be found on your email or Evergreen connect website.

All orders are subject to Lewis Horticulture terms & conditions.

Please contact [accounts@lewishorticulture.com.au](mailto:accounts@lewishorticulture.com.au) or visit Evergreen Connect for a copy.

We rely on third party logistics companies to transport our stock. Our responsibility ceases when transport company accepts the plants. You can contact the transport company directly if there are any issues, the phone number is on your invoice.

While we endeavor to have your plants dispatched on the next available date based on the transport company's scheduled delivery day, same week delivery is not always guaranteed.

If there are issues with your stock quality, please contact the nursery within 48 hours of receipt of the goods. After this time we cannot credit or return unsatisfactory stock.

Prices are subject to change at the nursery's discretion.
